OUR PROCESS | THE CANADIAN METHOD.

01 PROPOSE

- Kickoff Meeting
- Feasibility Study
- Propose
- Finalize Scope

Everything starts with a Vision. We begin the process with a kickoff meeting with the client, followed by an inspection of their property with our design & estimation team. Next, we put together an extensive proposal for the client which includes an overview of the project, True Vision 3D Renders, Scope & Fees, and a Complete Feasibility study if the property is being upgraded for investment purposes.

02 DESIGN

- Project Plan Material Boards
- Mood Boards
- Material Boards
- Finalize Design

After the proposal is finalized, we proceed to prepare the project plan and complete package for the material and mood boards for the theme of upgrade (i.e., Contemporary, Modern, Arabian) for the taste of the client and submit all designs for the upgrade to the client for approval prior to commencement.

03 EXECUTE

- Execution of Works
- High Efficiency
- Consistent Project Updates
- Completion of Works

Once the design is finalized, we proceed to execute the project through the highest efficiency and Canadian standards of quality. Throughout this stage, the client will be updated thoroughly with project update reports & pictures of the projects progress.

04 COMPLETE

- Deep Cleaning
- Handover
- Final Walk-Through
- Completion

Completion! RPH will complete a handover inspection and walk-through with the client and/or its representatives after completion of all works to ensure client satisfaction.
